

We've made back to school dreams come true for 95,000 children since 1996

Dear Kind Person,

As children grow, they make memories and have wonderful experiences with their families like going to the movies, going skating or bowling, seeing animals at the zoo, attending plays, or going to museums, going to The Fair and visiting theme parks. For many families, these wonderful experiences are available to their children. Now imagine the life of a foster child. Some children move from place to place, others have been assigned to loving homes. Foster parents do their best to provide wonderful experiences for their foster kids in their care, but on limited monthly stipends, lack resources to take their foster kids to extra special places.

Imagine a world where all kids, despite their circumstances, have the opportunity to enjoy simple pleasures and make lasting memories. My name is Beth Rosenthal Davis. In 1996 as an MDCPS elementary teacher, I founded Kids 4 Kids with a goal to teach children to change the world through their acts of kindness. Over the last 28 years, Kids 4 Kids has filled and delivered over 95,000 backpacks filled with school supplies to MDCPS kids in migrant camps, foster homes, and homeless shelters so ALL kids, despite their circumstances, could start school prepared for success on an even playing field with their classmates.

Other projects have included, filling and delivering 200 bags of candy for Halloween annually to local homeless shelters, providing grocery gift cards and holiday toys for low income families and raising money for kids with cancer. Our literacy program has also provided nearly 80,000 books to children including those going through dependency courts. This past year we have sent group homes of foster kids on fieldtrips to zoos and museums and they have been overjoyed! You can learn more about our work at www.kids4kids.org.

Kids 4 Kids has no paid staff and 100% of the monies raised goes to the projects we support. Our newest initiative is to spread kindness in our world and in doing so, give Kids the opportunity to help other kids. The goal is to purchase annual passes to zoos, museums, movie gift cards and gift cards to other venues so that foster parents have the resources needed to enrich the lives of those in their care.

Please join me on this journey by having your school, school PTA, businesses, or organization purchase or sell Kindness Bracelets. Bracelet donations can be made through Zelle, Cash App, Checks to Kids 4 Kids, or Cash. Businesses, please consider buying in bulk and giving them to employees to wear as a reminder to be kind. For more information or to sign up, email me at teachkidskindness@gmail.com.

In A World Where You Can Be Anything...BE KIND!
